

## MORE QUESTIONS AND ANSWERS

---

### Can you fall out of love quickly?

The short answer is yes, sometimes people can fall in love fast and out of love just as quickly. The problem finding the exact reason why is that love is a feeling, and feelings and emotions are constantly changing, and sometimes don't always reflect what is really at the heart of something.

#### RELATED QUESTIONS

#### What does it feel like to fall out of love?

Falling out of love entirely feels different. It might feel like less of a calm and more of an emptiness, and few things are as sad as looking at someone who you used to be crazy about and feeling nothing at all.

#### Can you really fall out of love?

It's truly possible to take a turn toward getting back the love you once shared with another person. The short answer to the question of whether we can stop ourselves from falling out of love is yes. Staying in love is possible, but like most good things in life, it usually takes some effort.
