How do BTS hold chopsticks?

Get used to the feeling of holding the pair of chopsticks in one hand. ... Note: The chopstick between your thumb and forefinger should not be held in place as the other chopstick is. You should be able to move this one in an up and down motion.

RELATED QUESTIONS

Are there different ways to hold chopsticks?

Open and close the chopsticks with your first two fingers. If you're having trouble picking up food this way, try adjusting your grip slightly so that the pad of your middle finger is bracing the bottom chopstick on the opposite side of your thumb. Only the tips of the chopsticks should move.

How you hold chopsticks meaning?

The closer they wave their chopsticks in your face, the warmer they are thinking of you. If you move your hands slightly closer to theirs, and they move theirs even closer to yours, they probably really like you or are very comfortable around you.
