Can you get cable for free?

Getting cable TV for free is a nice thought, but you will likely have to pay for some part of the setup. First of all, if you have an HD TV with an antenna and tuner, you can get over-the-air local HD channels for free. If you want access to the major networks, this is a good way to get TV without paying for it.

Do you have to pay for cable in an apartment?

If they are providing the cable as part of the apartment rental, it must be included in the rent amount as part of rent not a separate bill. It was more about if the charge can be separate and forced on everyone, or if it had to be in the monthly rental and not as a separate item.
