

## MORE QUESTIONS AND ANSWERS

---

### How do I move the notification bar?

The Notification Panel is a place to quickly access alerts, notifications and shortcuts. The Notification Panel is at the top of your mobile device's screen. It is hidden in the screen but can be accessed by swiping your finger from the top of the screen to the bottom.

---

#### RELATED QUESTIONS

### How do I move the Facebook shortcut bar?

To change shortcut bar settings, go to the Menu tab > Settings & Privacy > Settings. Scroll down to the bottom of the screen and tap the "Shortcut Bar" option. Then turn on/off the toggle next to the shortcuts for the profile, video, groups, marketplace and friend requests.

---

### Where is the notification bar on Facebook?

How can I change it back? The notification bar has moved from the top of the screen to the bottom using Facebook app in Android.

---

### Why can't I drag my notification bar down?

If you have an Android 4. x+ device, go to Settings > Developer options, and enable Pointer Location. If the screen is not working, it will not show your touches in certain locations. Try to drag the notification bar down again.
