### How do I share local files on Spotify?

With that in mind, sharing a local track is relatively easy with Spotify. Just right-click the track and select Share To from the pop-up menu.

### Sharing Local Files On PLaylists?

You can't share them, because that might involve piracy and that's the reason Spotify has local files, which is to get people to pay for songs to fill in the gaps, where Spotify has those songs missing, or unavailable (grayed out).
