How does sesshomaru die?

Kagura was happy she got to see Sesshōmaru one last time. She looked up at him and smiled as she died before him, dissolving into the wind.

Who is the Mother of Sesshomaru's Daughters?

Sesshomaru does like Rin, but the context of "like" only extends as far as a parental bond or something akin to familiarity between two people traveling together. By the end of the series, Rin was positively still an 11-year-old, whereas Sesshomaru, despite looking 19 (which is still a big age difference), was more than 900 years in age.

What exactly is sesshomaru's fluff?

Well, Sesshomaru wears a pelt of a dead demon. The reason it can react on its own is cause of the demonic aura it holds. posted over a year ago
