

MORE QUESTIONS AND ANSWERS

How long is a week in Terraria?

Since time in Terraria moves 60 times faster than real time, a week in Terraria is 48 minutes in real life. If there are twelve months in a year, and each month is eight days, that means that a year in Terraria is 96 in game days.

How long will this game last in single player?

I've put in the first week of playing (Before 1.2 Update) about 40 hours and I got pretty much everything I wanted. After the 1.2 update, 300 hours later and still not gotten past all waves in the pumpkin & frostmoon events and haven't even started playing with Railroads or fishing.

How long to complete Terraria?

There are speedrunners who can do it in around 2 hours. Others have gotten hung up for weeks on the hardmode bosses. I would estimate that if you use the wiki for any questions you have, have reliable hand-eye coordination, and stick to progression versus exploration, it should probably take you around 30 hours to get to end-game content.

RELATED QUESTIONS

Can you skip to day in Terraria?

The Enchanted Sundial skips a day. Note the clouds and sun speeding across the top of the screen. The Enchanted Sundial is a Hardmode furniture item that can be placed. Pressing the Open / Activate button on it will advance time to sunrise (4:30 AM) the following day.

How do you turn night to day in Terraria?

The 1.3 version of Terraria has now a solution for you. This item is the Enchanted Sundial. It is a furniture that can skip one day/night cycle, by setting the time at 4:30 AM.

How do you check the time in Terraria?

When equipped in an accessory slot or simply held in the inventory, a clock will appear in the upper-right corner of the playing screen, revealing the in-game time accurate to the last minute. A minute of Terraria game time is equivalent to a second of real-world time.
