

MORE QUESTIONS AND ANSWERS

How often is Walmart inventory update?

It only updates once a day and generally has the wrong information. Half the time the item numbers on Walmart.com don't match the ones our products have in the store. I've had items that I scanned on my phone in store that we had 30 on hand and Walmart.com says that we were out of.

RELATED QUESTIONS

What days do Walmart restock?

Days when stores restock Monday to Friday, go late morning or early evening in the event that you can, the store will be newly loaded. Walmart restocks after every 2 days.

How often do grocery stores restock?

Generally no, at least one delivery every other day and two major ones twice a week also is the standing order, most often Monday or Tuesday will be delivery days to restock after the weekend, then another Thursday or Friday to prepare for another flyer change.

Does Walmart restock at night?

Since many Walmart stores are open overnight, the entire store is cleaned out and shelves are restocked at that time of day.

What time does Walmart stock up?

The majority of stocking is done from 10pm-7am. There is minor stocking done from 7am-1pm, and then a decent amount is also done usually from 6pm-ish until 10pm when things kick into high gear. Do you want cardboard boxes? Usually most stores will save them if a customer wants some.
