#### RELATED QUESTIONS

### How do you say D in Danish?

There are many different ways that the letter D is pronounced in Danish. An easy pronunciation rule for D is that when it appears after N or L, it's silent. So words like hånd (hand) and kold (cold) end up sounding more like [hon] and [kol].

### Why is Danish pronunciation so weird?

As people in Copenhagen feels superior they want to speak differently than other Danes, so they change their pronunciation. ... Danish has deviated so much from its written form that it is like to different languages. This is one reason that Danish is considered the most difficult language to learn.
