

## MORE QUESTIONS AND ANSWERS

---

### **Is it better to be paid in dollars or pounds?**

To summarize, if you are a small contractor, it's definitely better for you to get paid in pounds. If you are a business owner, you should know that the dollar is a bit more stable than the pound these days. In either case, you should do thorough research before you make a decision.

### RELATED QUESTIONS

### **Is the pound more valuable than the dollar?**

Key Takeaways. Historically, one British pound has usually been worth more than one U.S. dollar, even though the U.K. has a much smaller economy. The price of one currency compared to another is not necessarily an indication of wealth, power, or strength.

---

### **Why is pound more expensive than dollar?**

The short answer is: it depends who you are. You are most likely to notice the exchange rate when you travel overseas. When the pound is strong against the dollar, for example, you get more dollars for your pounds. So the stronger the pound, the cheaper it is to buy things abroad.

---

### **Is the dollar stronger than the pound 2019?**

The United States of America has the most robust economy but not the strongest currency in the world. According to an analysis of the Top Ten Strongest World Currencies, the US dollar (USD) ranks at No. 9 and the British Pound (GBP) at No.
