Is it cheaper to drywall or drop ceiling?

Cost of a Drop Ceiling The savings are slim to none. If you're hiring a drywall crew to do the walls anyway (which I highly recommend) then it's not a much more to have them do the ceiling as well. In newer houses especially, a drywall ceiling is about the same or cheaper compared to a suspended ceiling.

Drop Ceiling or Drywall Ceiling: Which one should you choose?

Decorating with Drywall vs. Suspended Ceilings. If you're looking for a unique decorative ceiling, drywall will leave you yearning for more. Drop ceilings, on the other hand, offer diversity when it comes to decorative styles. You can choose from a wide range of unique styles and get something that complements the rest of your home design.

Basement Ceilings: Drywall or a Drop Ceiling?

With a drop ceiling, the access is built right in. Now, this can be done with a drywall ceiling by adding access panels – simple metal or plastic doors that get integrated with the drywall – but if you anticipate the need for more serious access than drywall might not be your best bet.
