Streak Review 2020: Gmail Extension to Drive Results?

Is Streak Safe to Use? Yes. The company is a Google technology partner, so it must adhere to strict security measures. Plus, thousands of other brands trust Streak for their email and CRM needs. It uses an open tracking system, which may alarm some people. Yet, this is legal and safe. What is Gmail Streak?

Can Streak really track if Gmail emails are read?

It is safe to say that the tracking will work quite well most of the time, especially if a user is using web mail and not an email program like Thunderbird that takes care of these things automatically. It is good to know though that Streak's email tracking feature uses the same technique that we have seen for ages.

How does Streak email tracking work?

When the user opens the email, that particular image is downloaded into his computer, Streak tracks the IP which downloaded that image and the number of times the image is downloaded (number of views). To avoid streak tracking your emails, open your Gmail in incognito mode or disable automatic download of images in your Chrome settings.
