### What does implying mean?

verb (used with object), im·plied, im·ply·ing. to indicate or suggest without being explicitly stated: His words implied a lack of faith. (of words) to signify or mean. to involve as a necessary circumstance: Speech implies a speaker.

#### What does implying mean?

It's implying that one parent is the first parent and the other parent is secondary. Von Humboldt: It is a proverbial expression that every man is the maker of his own fortune, and we usually regard it as implying that every man by his folly or wisdom prepares good or evil for himself. But we may view it in another light, namely, that we may so accommodate ourselves to the dispositions of Providence as to be happy in our lot, whatever may be its privations.
