### Is it correct to say on tomorrow?

The phrases "on tomorrow," "on today," and "on yesterday" are commonly heard in the southern region of the United States. They are acceptable in casual speech and other informal contexts, but should not be used in formal contexts such as academic writing.

---

### Are we still on for today meaning?

This is an expression that you use when you want to confirm a plan with someone else. So if On Monday you arranged

to meet up with a friend on Thursday, you may want to double-check that you're still on to meet up!

---

### **Which is correct on tomorrow or by tomorrow?**

This is just incorrect: I will transfer the amount on tomorrow. You never use the preposition on to govern adverbs such as today or tomorrow. To add to JSBangs's answer, the use of "tomorrow" may be masking your real question, which seems to be when to use "on" versus "by".

---

### **What is the meaning of by tomorrow?**

1. It means that tomorrow is the latest that you may send her the documents. It would also usually mean during work hours but we would automatically ask what time she needed them by.

---

### **How do I keep my trampoline from blowing away?**

A Trampoline Tie-Down Kit is used to help prevent your trampoline from blowing over in high winds. it basically 'straps' your trampoline to the ground using straps and large metal 'corkscrew' stakes. You don't need to keep it there all the time, but we strongly recommend using one when the winds pick up.
