### Why are Pisces so hard on themselves?

A Pisces has a tendency to be very reclusive. It's just that they tend to deal with so many thoughts and feelings; and sometimes, they feel like they have to keep to themselves in order to make sense of everything. They don't really like to be putting all their thoughts out there out of fear of being ridiculed.

#### RELATED QUESTIONS

#### Can Pisces be aggressive?

Due to constantly feeling their feelings so deeply, it is difficult for a Pisces to get mad. ... Rather, a Pisces is known for being very self destructive, and they will get aggressive with themselves.

#### Are Pisces selfless?

Pisces are generally very selfless. We'll go above and beyond for those close to us. We can't help but give to others because we care so deeply for them. If someone makes it into our circle of friends, he or she is, indeed, blessed, as this person knows we would go to the ends of the world for him or her.

#### Why Pisces end up alone?

They are naturally independent people. They like to accomplish tasks on their own because they don't want to burden anyone else with their problems. They think that their worries should entirely be their own and so they're drawn to seclusion and isolation.
