

## MORE QUESTIONS AND ANSWERS

---

### **Why is my makeup suddenly cakey?**

Why Makeup Gets Cakey Other possible culprits include excessive dryness or dehydration, not using the right skincare or makeup, and simply overdoing it with the foundation and concealer.

### **Why Does My Makeup Look Cakey?**

Are you wondering why your makeup looks cakey? But have no fear, we have done all the research to find out what causes this and explain how to fix this problem so you will never have to deal with cake-face ever again. Your makeup could be looking cakey for one of two reasons. If your skin is too dry, your makeup will not set well.

### **Why Does My Foundation Look Cakey?**

Foundation can look cakey for many reasons. Certain foundations are not suited to your particular skin type or condition, others contain compounds which simply do not work well. Many foundation products contain oils and silicone which give them a great feel, but the long-term effects are terrible.
